Frequently Asked Question

Q1. What responsibilities do I have in this program?

A1: The partner company sponsors your scholarship during your study period; therefore, you are obligated to work for the company after graduation in accordance with the scholarship terms.

Q2. Is there any restriction for age?

A2: Since the needs of industries vary, please confirm with your desired university

Q3. I intend to apply for an English-taught program. Why do I need to take Mandarin courses in this program?

Achieving A2 level in TOCFL is essential for your future in Taiwan. If you plan to enroll in an English-taught class, you must reach TOCFL A2 or higher by your second year to qualify for a tuition fee waiver scholarship.

(1) The INTENSE Program Awardee will receive automatic coverage of their tuition fee for the first year. However, if they are enrolled in an English-taught class, they must achieve a TOCFL A2 certification before entering the second year to be eligible for tuition fee waiver scholarship

(2) For the support related to Airplane Tickets and Administrative Expenses. They should keep the receipts to request for **reimbursement** from the university once they arrive in Taiwan.

Details for Administrative Expenses: Visa, Medical Check Up, Document Legalization
